X.Mobile Pedestal

Looking for a storage solution that's easily accessible? Meet our new mobile pedestal! Unlike the structural pedestal, this option is not mounted, allowing you to effortlessly move it around. It offers the convenience of a locking function similar to the structural pedestal while providing the flexibility to fit under your work surface or be pulled out whenever needed.

· Material: CRS 0.7
· Stylish curved shape for an elegant look
· Equipped with casters for effortless movement.
· Lock core for safeguarding your documents and valuables.
· Comes with 1 pencil tray and 2 filing bars for efficient storage.

· Dimensions: 22" D x 15" W x 23" H
· Built with a sturdy load-bearing frame for exceptional strength.
· Pressing rebound rail for easy access.
· Optional Counterweight: Available for added stability and security.
· Optional Seat Cushion: While not suitable for fitting under work surfaces, it provides extra seating comfort.
